

BOOK CITATION – “Enrique’s Journey”

Sonia Nazario, *Enrique’s Journey: The Story of a Boy’s Dangerous Odyssey to Reunite with His Mother*. New York: Random House, 2006.

For those interested in immigration issues, this book offers a compelling, Pulitzer Prize winning story, not only of Enrique’s very difficult journey from Central America to the U.S., but also that of the author who replicated Enrique’s journey.

A newspaper reporter on social issues for more than two decades, Nazario ends her book discussing many of the issues surrounding the immigration debate. One of her special concerns is the serious effect on the children of separation from their mothers, often expected to be a temporary situation that unfortunately stretches to long periods of time.

This book from the Goshen Public Library has the following call number: 325.73 NAZ.
